SOJOURN

About Sojourn

Sojourn has been a part of TCET's legacy since the beginning, connecting, motivating and encouraging students to come together as one and celebrate warm fellowship continuing throughout the years. Sojourn has provided a platform to the students to showcase their unique talents in the form of various performing arts.

The theme for Sojourn 2022 is "Incredible India". The idea behind the theme is to connect students by opening locked doors, and unite them to share cultures, heritage and responsibilities. India is a land full of surprises and diversity. While one can get absolutely mesmerized by the stunning landscapes of the Himalayan foothills in the north to the Backwaters in the south, the sweetness and festivity of the east to the dances and enthusiasm in the west. In short, you can never be fully prepared to explore India.

We hope to provide an experience filled with felicity and splendor to all participants and viewers.
